

is erroneous. The latter Title has been erroneously recited as the Title of the subject invention in the Patent Application Transmittal (copy attached), filed with the USPTO on April 9, 1999.

The Applicant submits that the subject Patent Application as filed on April 9, 1999 is entitled "REMOTE DEVICE ACCESS OVER A NETWORK" (please see the attached copy of the subject Patent Application Cover Sheet). Please further note that the Assignment and Declaration and Power of Attorney for the subject Patent Application as filed with the USPTO also recite the correct Patent Application Title of "REMOTE DEVICE ACCESS OVER A NETWORK."

In this Amendment, thus, the Applicant seeks to correct the Title of the subject Patent Application and respectfully requests that the Amendment be entered on recommendation of the Examiner and approval by the Commissioner, without withdrawing the Application from issue.

As this omission is a minor error, it is respectfully submitted that no new search is required.

Respectfully submitted,  
MARTINE PENILLA & GENGARELLA, LLP
